

AEOLUS CASING POLICY

- A) Casings of Aeolus radial truck tires are warranted against defects in workmanship and material up to the point of the first retread. Defects in workmanship and material founding the process of buffing for retread are warrantable, but once a retread has been applied casings are no longer warrantable.
- B) If an examination shows that a casing of an Aeolus radial truck tire failed due to a defect in workmanship or material, Aeolus will give a credit towards the purchase price of a comparable new Aeolus tire based on the values listed below;
